

## **Backpack**

Each child will need a traditional backpack to transport his or her belongings to and from school. The backpack should be a regular size. We also need for you to provide a complete change of clothes in the backpack and be sure your child's name is clearly marked on the bag and the clothes.

**Buyout Option** This year we are offering the option to bring school supplies or pay the dollar amount of the buyout. This payment should be separate from tuition payments.

**January** There will be a small restocking supply list in January. It will mainly be a couple of items to restock our pantry. Please remember to check expiration dates on pantry items.
