

Backpack

Each child will need a traditional backpack to transport his or her belongings to and from school. The backpack should be a regular size. We also need for you to provide a complete change of clothes in the backpack and be sure your child's name is clearly marked on the bag and the clothes.

Buyout Option This year we are offering the option to bring school supplies or pay the dollar amount of the buyout. This payment should be separate from tuition payments.

January There will be a small restocking supply list in January. It will mainly be a couple of items to restock our pantry. Please remember to check expiration dates on pantry items.
